

## Middle School - Student Clubs

At the Middle School, students participate in clubs during the school day, allowing them to try new things. Students will have a wide range of clubs to choose from creative, physical, social, leadership, and service-oriented clubs. There are four club rotations throughout the year, with the goal being for students to engage in a wide variety of activities to help identify and cultivate their interests and passions. The third rotation of clubs will be sheltered time for students to work on Self-Motivated Learning (SML) projects. Clubs run on Tuesday and Thursday. Below are a sample of student clubs available in the Middle School:

- Battleship Game Club
